General Terms and Conditions of Sale

The general terms and conditions of online auctions are applicable concerning the (possible) purchase of moveable assets in addition to these specific terms and conditions

Following Lots Combinations

After registration and log in, lots can be "followed" via "My Troostwijk".

All lots in a combination will be sold individually first. After the last lot is sold, the total of the bids is raised by 10%. This is the starting bid for the combination. If the combination is sold it overrules the individual bids, if not the individual bids are confirmed.

Prolongation

If a bid is made in the last 5 mins before the lot closes then the closing time will be extended by 5 mins. With each subsequent bid the closing time will be extended by 5 mins until no further bids are made.

Lots Without Bid

All lots without a bid will stay open for a further 30 mins after the posted closing time
